

Canadian Patient Safety Institute

Presentation to CHLNet

May 26th, 2015

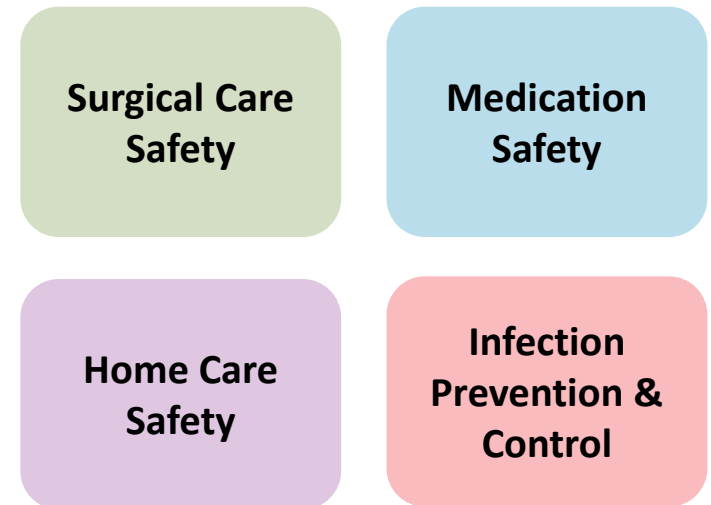

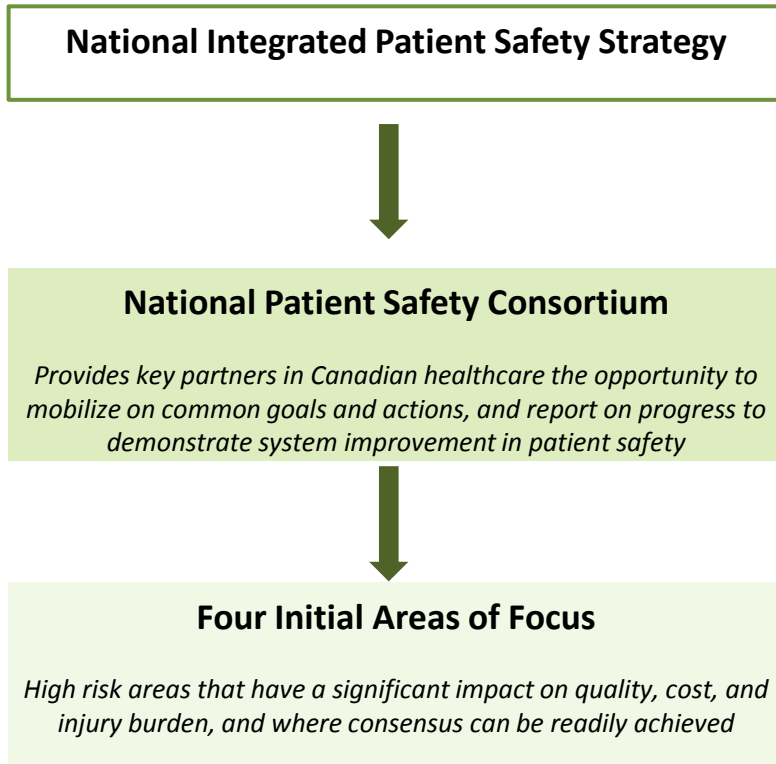

Four Strategic Goals

The Canadian Patient Safety Institute will:

1. Provide leadership on the establishment of a National Integrated Patient Safety Strategy.
2. Inspire and sustain patient safety knowledge within the system, and through innovation, enable transformational change.
3. Build and influence patient safety capability (knowledge and skills) at organizational and system levels.
4. Engage all audiences across the health system in the national patient safety agenda.

Forward with Four

**ACCREDITATION

Safer Healthcare Now!

Next Steps — Patient Safety Education Roundtable

- Final report once approved by CPSI Board to be sent to partners mid June 2015
- **“Save the date”** correspondence to participants for **November 2015** face to face meeting
- Initiate follow up confirmatory letters, list of participants to action teams and contacts
- Kick off teleconference meetings for 5 goals areas action teams June-November pre face to face

Next Steps - 6 months

- The Integrated Patient Safety Action Plan has been endorsed by the National Patient Safety Consortium
- Some actions underway, many will begin this year
- The Consortium is currently making key decisions on its structure, processes and communication strategies
- Strategic communication to broad range of stakeholders, including the Conference of P/T Deputy Ministers of Health
