CHLNet 3.0: CHAMPION STRATEGIC LEADERSHIP EXCELLENCE

CHLNet
Canadian Health Leadership Network
Le Réseau canadien pour le leadership en santé

EVIDENCE GENERATION PRIORITIES

1. Leadership Practices for the 21st Century to Transform Health Systems
2. Anti-Racism and Social Justice to Achieve Effective, Diverse and Inclusive Leadership
3. Leadership Styles and Practices that Promote Supportive Workplaces and Workforce Wellness
4. Climate Conscious Leadership Practices for a Sustainable Health System

Our Courses of Action

Link Evidence to Practice

- Create and convene a Canadian Learning Collaborative for Health Leadership with co-leads comprised of academic and health system leaders
- Cultivate, gather and share leadership practices that make a difference

Demonstrate Leadership Matters

- Gather and share data on why leadership matters through mechanisms such as our benchmarking study
- Undertake leadership case studies and scenario-based learning that demonstrate impact

2025-2026 Short Term Objectives

Enhance Our Leadership Commons

- Tailor and enhance our value proposition by various leader types to better share practices and tools
- Convene health leadership dialogues and roundtables
- Build deeper strategic partnerships for broader impact across leadership and membership based national organizations

Develop and Enable Network Tools and Services

- Enhance current network products and services to better build the next generation of health leaders
- Through partnership, develop new tools and techniques for learning around the four evidence priorities
