OUR PURPOSE

By working together, better incorporate evidence and systems thinking into the practice of 21st century health leadership to improve health system performance and advance transformation.

CHLNet
Canadian Health Leadership Network
Le Réseau canadien pour le leadership en santé

OUR VALUES

Trust & Reciprocity in All Our Interactions
Inclusivity and Broad Systems Level Partner Engagement
Share and Convene Based on a Common Leadership Language and Continuous Learning

Our Value Streams and Priorities

2025-2026 STRATEGY

Support Leaders Through Dialogue & Engagement

- Convene leadership dialogues and roundtables on key leadership challenges and practices
- Assess and broaden our network composition, structures, and resources to foster diversity, inclusion and enhanced engagement

Build and Apply Health Leadership Research, Evidence and Knowledge

- Create leadership tools and demonstrate their impact through academic and leader partnerships
- Build leadership evidence and integrate into policy and leader practices

Accelerate 21st Century Care Leadership Practices

- Act as a hub for sharing effective leadership practices and tools both nationally and internationally
- Further define the health leader capabilities for 21st century

Champion Strategic Leadership Excellence

- Build and share an evidence informed strategy on the contribution and need for health leadership and its impact on system performance and transformation
