

CHLNet Senior Research Advisor

Purpose

To provide advice and guidance to the Executive Director and Secretariat and work in collaboration with the Senior Policy Advisor in support of CHLNet's efforts to grow leadership capacity across Canada.

Duties and Responsibilities

- Advise and assist the Executive Director, as needed on growing CHLNet's value proposition generally but more specifically on its value stream of building and applying health leadership research, evidence, and knowledge.
- Participate in:
 - Monthly virtual advisor meetings with the Executive Director and the Senior Policy Advisor
 - Quarterly virtual CHLNet Secretariat (Board) teleconferences
 - Semi-annual Network Partner roundtables and leadership dialogues
 - Research & Evaluation Working Group as cochair
 - Optional: other standing working groups (virtual, 3 times a year) such as the Canadian Health Leadership Acceleration & Exchange; as well as any ad hoc Steering Groups
- Advise on grant funding and opportunities to build health leadership evidence and integrate into policy and leader practices
- Represent and/or present at meetings, health leadership panels, and/or conferences on behalf of CHLNet with prior mutual agreement of the Executive Director.
- Chair or co-chair ad hoc working groups as mutually agreed upon.
- Prepare briefing notes and other background materials in collaboration with the Senior Policy Advisor and the Executive Director.
- Provide other advice or assistance as may be necessary for the consideration of the CHLNet Secretariat and/or Executive Director.

Term of Position

One year contract renewable annually with mutual consent.
